2022 HEALING RETREAT

IF YOU LOVE ME...

Help Me Heal!

Recently I've committed to investing time and energy into myself to heal from my past and prepare for my future, so I can be the best version of myself. I Am Handpicked launched an exclusive program called The Healing Journey and I answered the call. I joined a number of women from various backgrounds, but with one common goal... to heal. It has helped me to identify and tackle barriers to my healing, tap back into my dreams and visions, and connect with God on a greater level. I've also found a safe place to share and grow with other women who protect, uplift and encourage one another, which is opposite of what we hear & experience in society.

This fall, we are gathering in Deep Creek, MD for a luxury weekend of continued healing and growth. Because I know you care for me, I am asking you to help me heal by investing any amount into my journey. This retreat is just the thing I need to refuel, refocus and recenter myself for the remainder of the year.

WILL YOU HELP ME HEAL?
